Participant - VPPOCE Hackathon  VPPOCE, Vasai	09/2023		

03/2023

### **Professional Experience**

#### **Sahu Technologies**

Web Development Intern

12/2021 Mumbai

- Collaborated with a team to develop website clones, utilizing HTML, CSS, JavaScript, and Bootstrap to create fully functional and responsive websites that replicated the look and feel of the original sites.
- Conducted quality assurance testing and implemented necessary changes to ensure optimal website performance and user experience.
- Applied knowledge of web development best practices, including cross-browser compatibility, accessibility, and responsive design, to ensure website clones met high standards for functionality and design.
